## **TERMS & CONDITIONS**

1. The Sales management acts only as an agent.

### **ALL RESPONSIBILITY AND GUARANTEES ARE BETWEEN BUYER AND SELLER.**

2. The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there be no advance bids, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment, are not responsible bidders.
3. Terms of sale are cash and payment in full is to be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the sale company for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter immediately.
6. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem fit.
7. Every effort has been made to ensure correctness of the catalog but the sales management and auctioneer are not responsible for errors or omissions, and assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding horses sold.
8. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as they are and without return privileges, unless otherwise specified.
9. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof, but possession of the horse cannot be obtained by him until payment in full has been made.
10. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown in the ring. The management cannot be responsible for any accidents.
11. Consignors are reminded to bring registration papers, breeding certificates, signed transfers and coggins tests the day of the sale. They should be turned in to the office before the sale.
12. THERE IS A 2% BUYER'S PREMIUM TO ALL ONLINE BUYERS.
13. REGISTRATION PAPERS WILL BE GIVEN TO THE BUYER AS SOON AS CHECKS HAVE CLEARED. PAPERS WILL BE ISSUED ON CASH, CERTIFIED CHECKS, OR MONEY ORDERS.

## **BUYER'S RESPONSIBILITY**

The Buyer has a responsibility to examine a horse carefully before they bid on it. If you have any particular concerns about conformation faults or defects, size, attitude, stall manners, riding ability or anything else, check it out BEFORE you bid. If you buy a horse on impulse, without shopping it before you bid, you may expect to find some surprises. In that case you still own the horse. The seller is not responsible for you, if you don't shop the horse. Once you bid on a horse, you are indicating you have shopped enough to satisfy yourself and no one else is responsible.

We've seen an exciting year of racing with multiple track records broken thus far, dead heat finishes, and full fields of horses. Our Night of Champions will see Minnesota bred racing for \$780,000 on Saturday September 21st at 7:00pm.

We also want to remind you of the Heartland Standardbred Sale that will be taking place on September 24th at 10:30 a.m. at the Minnesota Equestrian Center in Winona, MN. A yearling preview will be held the night before starting at 5:30.

Heartland Standardbred sales has record breaking numbers this year! It will have over 115 Minnesota bred yearlings, aged race horses, and broodmares totaling in over 160 horses to sell this year. We encourage our constituents to attend the sale!

Join us to purchase a Minnesota bred or just to watch the fun and see the future of harness racing go to their new families! We wish continued racing luck to all of you, and we look forward to seeing you at the sale.

*One really nice way to connect with others and enjoy the common ground of harness racing, is to share a meal together. We'd like to extend our most sincere gratitude to The Equine Spa for donating the meal on Monday night at 5:30, before the Yearling Presentation. Plan to join us, everyone is welcome!*

**The Diamond Harness Alliance** was created by California statute to allow yearlings born in MN, IA, MI, WI, ME, and Alberta, CA, as well as CA.

Eligibility is determined by having your yearling bred to a registered stallion. You must also make 2 sustaining payments, one during the yearling year, and one as a 2 yr old. Information about stallions and payments can be found on <http://calsired.chhaonline.com/content/sires/index.htm>

This program gives added value to any yearling that participates. Besides being eligible to race in CA in the sire stakes program, DHA horses racing in California will be eligible for a 25% claiming price allowance in addition to "condition" allowances that will be approximately 50% for wins and earnings. In addition, such horses shipping to California will be eligible for any shipping reimbursement program that exists.

## A Quick Note:

Just wanted to make everyone aware of the processed we used to put the yearling in a sale order. This year the yearling were put in order according to who their dam is, starting with the letter "B". If the dam's name started with B, that meant her yearling was at the beginning of the sale order and down the line they got numbered according to where the dam's name came in the alphabet. We found this to be a fair and random way of making the sale order.
